BREEDING CONTRACT

Mare's Name:

Mare's Breed:

Mare's Age:

- Once ready, the turnkey package includes all sonograms, breedings, inseminations, and ovulatory drugs (hCG and/or Desorelin) needed for routine breeding.
- Includes all pregnancy checks at 15, 25, and 42 days.
- Any problems or issues that require extra services or diagnostics will be additional charges (retaining fluid, infection, and diagnostics such as culture or cytology, etc.) _____ (initial)
- Please initial next to your selected package:

- Breed one mare for **1 breeding cycle on fresh/cooled semen** = \$665 _____
- Breed one mare for **up to 2 breeding cycles on fresh/cooled semen** = \$900* _____
- Breed one mare for **1 breeding cycle on frozen semen** = \$900 _____
- Breed one mare for **up to 2 breeding cycles on frozen semen** = \$1360.00* _____

*If a **2 breeding cycle package** is selected and the mare becomes pregnant on the first breeding, there will not be refund or reduced charge. The **2 breeding cycle package** simply offers two opportunities for the mare to successfully conceive with a significantly reduced price for the second breeding.

- If any mare is not pregnant by the second breeding, client may choose to stop breeding attempts -or- continue breeding on a per charge basis. However, a failure to be bred on 2 consecutive cycles usually indicates an issue requiring additional care and costs. _____ (initial)
- Breeding package does NOT include boarding costs, trip charges, culturing/treating uterine infections, or semen shipping charges. _____ (initial)
- Breeding board = \$30.00 per day _____ (initial)
